Dear Members,

EDUCATIONAL TOUR TO "HUBER'S BUTCHERY"

We wish to invite you to Huber's Butchery – excite your appetite.

Huber's Butchery is a European-styled premium specialty store that is poised to redefine the standards of the average meat counter through the use of exceptional service to deliver the finest meat products. They offer the wide selection of meats, sausages and hams:

Beef - Grass-Fed, Grain-Fed Angus, Wagyu, Organic & U.S. Beef

Veal - Free Range Veal & Milk-fed Veal

Lamb - Pasture Fed Lamb & Organic Lamb

Pork - White Pig and Black Berkshire Pig (Kurobuta)

Poultry - Grain Fed Boiler, Organic Chicken & U.S. Turkey

Marinated and Prepared Items - Beef, Veal, Lamb, Pork, Chicken & Others

Cheese - Hard, Soft, Strong, Mild, Fresh, Aged & Processed

Hams & Cold Cuts - Prepared & Processed Beef, Pork, Veal & Chicken

Sausages - Coarse, Fine, Smoked & Unsmoked

Air-Dried & Salami - Imported from Switzerland, Germany, Italy & Australia

Other than the products, they provided other services such as:

- *home delivery service*
- *meat preparation*
- *marinating and roasting*
- *storage and cooking advice*

What makes them unique is that they import most of the meat directly from the farms and also produce all the hams and sausages themselves. This allows them to control the quality by selecting the finest ingredients in their products; but more importantly, it allows them to cut off the 'middle person' and pass on those savings to you.

Join us for the visit to Huber's Butchery!
